**Congratulations on your new family member!**

**We are so excited for you!**

**And yes, now we are asking for your help...**

Every year, rescues all over the U.S. are working hard to help save the lives of so many precious animals. AT HWMAR, we couldn't make this happen without our volunteers who dedicate so much time to our mission. Many of our animals come to us from in-humane conditions, have never been in a home and have never been shown kindness or love. Rescue takes a lot of patience, time, love, and money. Rescue is not always easy, but it is always rewarding when our rescues find their place with a forever family like yours. Here is where you can help us and show off your new family member.

**FaceBook Donation Fundraiser:**

Go to your FB page to write a post, then select "add to your post" and then "raise money". Select Hoof Woof and Meow Animal Rescue as your non-profit. Add pictures of your new family member and how your new pet came to be with you. It's that simple, and would help support our mission and all the future animals that come to us in need of their forever home.

*Thank you from all of us at Hoof Woof & Meow Animal Rescue*
